

European Automotive Training Company

# EATC SIMPLIFIED RECRUITMENT..

*EATC is a premier technical manpower training institute dedicated to equipping individuals with the skills and expertise necessary to thrive in the competitive European job market.*

## WHY PARTNERING WITH EATC?

- ✔ Sponsored training programs
- ✔ Highly skilled and motivated candidates
- ✔ Reduced recruitment costs and time
- ✔ After-hire support to companies

*Our commitment to excellence and industry-relevant training programs ensures that our graduates are highly sought-after by top European companies.*

### Mission

To empower individuals with the technical skills and knowledge to uplift their career

### Vision

To provide excellence and industry-relevant training programs to individuals

### Values

fostering a skilled and motivated workforce that drives growth

To empower individuals with the technical skills and knowledge required to secure rewarding careers in Europe's automotive industry and beyond. We strive to bridge the skills gap between qualified candidates and the demands of the European labor market, fostering economic growth and personal development.
